

Children, Young People and Families Programme

Linda Parker
Programme Director
Children, Young People and Families
South West Development Centre
National Transition Lead for CHaMP

Child Health and Maternity Partnerships – a DH / NHS collaboration

- Who are we?
 - Nationally
 - Regionally
- What has happened to CSIP?
- How do we work?
- What is our role in Transition Support Programme?
- What are we going to do?

How do we work?

- We link across all agencies within a GO region
- We support policy implementation and service improvement across the full range of Children's Trust partners
- We have a good focus on NHS issues and are commissioned by SHAs
- We work at all levels in organisations
- We facilitate, enable, support, challenge

In other words.....

.....plumbing, electrical work and match-making

3

What is our role in the Transition Support Programme?

- Commissioned by DCSF to act as Regional Delivery Partner
- Will be working as part of National Transition Support Team to promote implementation
- Will work locally with National Strategies to give the best level of integrated support

4

What are we going to do?

- Work in partnership with you and the members of NTST
- Provide a named Regional Advisor
- Help you identify in more detail, areas for continued improvement
- Agree a joint action plan, based on identified support need e.g.
 - 1-1 support
 - Local workshops
 - Sourcing of information
- Run regional learning events
- Contribute to the activity of the Hubs
- Maintain clear links with GOs to ensure sustainability of progress
