Taking Part – How to use this guide

The purpose of the Taking Part guide is to provide a tool that can be distributed to disabled young people and their carers/supporters.

The leaflet provides basic information on

- The Positive Activities duty
- The Youth Opportunity Fund
- Youth Councils and forums.

Though the guide is in an easy read format, many young people will need support to comprehend the information from carers/supporters. Thought should be given as to how it is distributed to ensure that people – such as carers and advocates - can interpret and act on the information on behalf of others.

You can download the Taking Part guide from the Transition Support Programme website: www.transitionsupportprogramme.org.uk

Taking Part was produced by the National Transition Support Team, Mencap and the Council for Disabled Children.
